VERSE 3

In the bars, with the men who play guitars  
Singin', drinkin' and rememberin' the times  
My little lover does a midnight shift  
She followed around all the time  
I guess there's just one thing a-left for me to do  
Gonna pack my bags and move on my way  
Cause I got a worried mind,  
Sharin' what I thought was mine  
Gonna leave her where the guitars play

CHORUS

I got a woman, she won't be true, no no  
I got a woman, wanna ball all day  
I got a woman, stay drunk all the time  
I got a little woman and she won't be true  
(Hey hey what can I do) I said she won't be true  
(Hey Hey, What can I say?) Hey hey, what can I do  
I got a woman, she won't be true  
Lord, hear what I say I got a woman, wanna ball all day
