## VERSE 1

A7	G7	D7	A7
They get up every morning from the alarm clock's warning, take the 8:15 into the city			

There's a whistle up above and, people pushin' people  
shovin', and the girls, who try to look pretty  
And if your train's on time, you can get to work by nine,  
and start your slavin' job to get your pay.

If you ever get annoyed, look at me I'm self employed, I  
love to work at nothin' all day. And I'll be . . .

## CHORUS

A7	G7	D7	A7
Taking care of business, every day, taking care of business, every way.			

I've been taking care of business, its all mine, taking care  
of business, and working overtime, work out

## VERSE 2

A7	G7	D7	A7
It's work easy as fishin', you can be a musician. If you can make sounds sorta mellow.			

Get a second hand guitar, chances are you'll go far. If you  
get in with the right bunch of fellows.

People will see you having fun, just a lyin' in the sun. Tell  
them that you like it this way.

It's the work that we avoid, hey, we're all self employed.  
We love to work at nothing all day. And we'd be . . .

**CHORUS**

A7	G7	D7	A7
Taking care of business, every day, taking care of business, every way.			
We'd be taking care of business, its all mine, taking care of business, and working overtime.
