

"The Adventures Of Rain Dance Maggie" - Em

Lip stick junkie, Debunked the only one. .
She came back wearing a smile
Lookin' like someone drugged me, They wanted to unplug me.
No one here is on trial
It's just a turnaround, And we go,oh
Well then we go uh huh oh

Tick tock I want to rock you, Like the eighties
Cock blocking isn't allowed
Tugboat Sheila is into memorabilia. Who said three is a crowd?
We better get it on the go

Hey now. We've got to make it rain somehow
She told me to And showed me what to do
Our Maggie makes it in a cloud
I said hey now. We've got to make it rain somehow
She told me to And showed me what to do
She knows how to make it loud

Rain dance Maggie. Advances to the final
Who knew that she had the goods?
Little did I know. Her body was warm Delicious vinyl
To your neck of the woods
I want to lick a little bit

CHORUS

Lead guitar "solo" - 8 bars

We've got the wrong girl
But not for long girl
It's in the song girl
'Cause I'll be gone girl

CHORUS

But not for long girl
It's in the song girl
'Cause I'll be gone bye bye bye yeah
Bye bye bye girl

Bye bye girl
Bye bye girl
Bye bye

OUTRO: 4 more bars after drum roll, end on 1
