

TWIST AND SHOUT

(Beatles)

INTRO: Guitar intro notes D E F# then Chords G C DDDD x 2

G C D G C D
Well shake it up baby now, twist and shout

Come on come on come on come on baby now...c'mon and work it on out

Well work it on out, you know you look so good

You know you got me goin' now...just like you knew you would oooooo

Well shake it up baby now, twist and shout

Come on come on come on come on baby now...c'mon and work it on out

You know you twist it little girl, you know you twist so fine

Come on and twist a little closer now...and let me know that you're mine

Guitar part in 3rds x 4...(over chords G C D C x 4)
